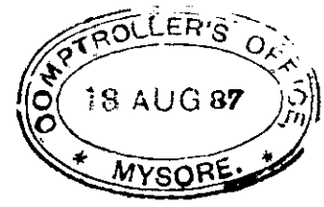
No 1508



To

The Chief Secretary
to the Dewan of Mysore.

Sir,

I have the honor to submit for the favorable consideration of the Dewan letter No. 118 Mis: dated 5th May 1887 from the Deputy Commissioner, Hassan District asking for the sanction of an additional hand on 20 Rupees for the Hassan District Treasury. He had in December 1886 applied for 2 hands for the District Treasury and I had in my No. 6843 3071 dated 14th December 1886 submitted a comparative Statement shewing the nature of the work of this Treasury as well as that of Shemoga, Kadur, Kolar, Tumkur and Chitaldroog and suggested that one Moonshy on 15 Rupees might be immediately transferred from the Kadur District Treasury and that the additional hand might be sanctioned after examining the work of the Treasury for the official year 1886-87. The Government accordingly sanctioned transfer of the Moonshy

Monthly on 15 Rupees from the Kadur District. The Deputy Commissioner is of opinion that subsequent experience of the working of the Treasury has fully confirmed the necessity of an additional hand, and I am able to endorse the same opinion after carefully examining the work of the various Treasuries as will appear from the Comparative Statement enclosed. The work in the Hassan Treasury appears to be almost as heavy as that of Kolar, Tumkur and Shimoga and the additional hand is really required. No additional expenditure need be incurred on that account. The work in the Kadur District Treasury is not nearly so heavy and considering that it consists of only 5 Talugs, the greater part of which is malnad, the present Establishment does not appear to be wanted. The present strength of this Treasury is as per margin, out of which the official on 15 Rupees may I think be transferred to the Hassan District Treasury

Sir.—

With reference to this office Letter No. 165 dated the 1st November 1886, requesting to apply to the Comptroller of Mysore, for two additional hands to this Treasury, I have the honor to inform that, the work of this Treasury is daily increasing, and that the present staff is quite insufficient, and to beg that besides one Munshi who was transfered from the Kadur District Treasury as per Dewans Proceedings No $\frac{6719-21}{83}$ dated the 10th January 1887, another hand on Rs 20/- as recommended by the Comptroller in his

his Letter No. 3071 dated the 14th December 86,
may be applied for.

Copies of the Comptroller's Letter and the Dewans Proceedings above referred to are herewith Submitted for ready reference

Bangalore 14th December 1886.

To

The Chief Secretary to the
Dewan of Mysore.

Sir,

I have the honor to submit for the orders of the Dewan letter No. 1955/857 dated 8th Nov. /86 from the Deputy Commissioner Hassan submitting that the Treasury Establishment of his District is overworked and asking for two more hands. In the recent reorganization of this and the Chitaldroog Districts, only 9 hands were sanctioned for the Treasury-

after

after a careful examination, I am able to endorse the opinion of the Deputy Commissioner that the Establishment is insufficient to cope with the work of this District Treasury. A Comparative Statement prepared by me to shew the amount of work done by the District Treasuries of Shimoga, Tumkoor, Kolar, Kadur, Chitaldroog, and Hassan is enclosed. It will be seen from it that the work of the Hassan District is only less than that of the Shimoga, Tumkoor, and Kolar Districts. It has 8 Talooks & 5 of Chickmaglur of which 5 are maidan. The numbers of items of revenue and Judicial Deposits in the Hassan District are very heavy and their adjustment always requires a great deal of Care and attention. Its Muzrey expenditure is very large and involving as the Muzrey accounts do many items of small sums they must be a source of a great deal of confusion and correspondence.

It has 8 10 municipalities & 5 of Kadur

Kadur and though the total amounts of revenue receipts and expenditure are not larger than those of the latter District, the accounts to be kept must be more numerous. The number of Vouchers is a sure test of the work in a Treasury as each Voucher represents a transaction which has to be entered in different registers and the number belonging to the Hassan District exceeds that of the Kadur and Chitaldroog by 200 & 300 respectively in 6 months. The receipts and expenditure on account of Her Majesty's accounts and the number of pensioners are also larger there in Kadur and Chitaldroog. I think therefore that 2 additional hands may be sanctioned for the Hassan District. One hand on Rs 15/- may be reduced from the Establishment of the Kadur District Treasury and added on to that of the former and a fresh one on 15 or 20 Rs might be sanctioned

sanctioned besides. If the Government should feel any hesitation in sactioning any extra expenditure. I would recommend the immediate transfer of the Peishi or the Gumasta on Rs 15/ from the Kadur to the Hassan District Treasury, the grant of an additional hand being deferred till the close of the official year. ——

The Jamabundy season has already commenced and collection has begun so that the Treasury work will soon grow heavier than it is now and as the Deputy Commissioner has been already put to much inconvenience, I beg early orders may be passed on this reference. ——

I have &c
